MALDIVES MAUJ

4 NIGHTS / 5 DAYS MALDIVES

Description

MALDIVES :

Maldives is an **important** member of SAARC. It is strategically located along major sea lanes in the Indian Ocean. A significant portion of world trade takes place through the Indian Ocean. All the energy supplies coming from Gulf nations pass through this area.

Tour Highlights

The Maldives archipelago is located atop the Chagos-Maldives-Laccadive Ridge, a vast submarine mountain range in the Indian Ocean, which also forms a terrestrial ecoregion, together with the Chagos and the Lakshadweep.^[14] With an average ground-level elevation of 1.5 metres (4 ft 11 in) above sea level, it is the world's lowest country, with even its highest natural point being the lowest in the world, at 2.4 metres (7 ft 10 in).^[15] Due to the subsequent risks posed by rising sea-levels, the government has pledged to make the Maldives a carbon-neutral country by 2019.
